## Emily Dickinson on Death

By Emily Dickinson (1830-1886)

Emily Dickinson is one of the most intriguing of American poets. Since she grew increasingly reclusive, very few of her poems were published until after her death. This collection includes two letters Dickinson wrote to her friends on the occasion of the deaths of her friend, Mr. Humphrey, and her brother, Austin. The rest of collection consists of her poetry on the subject of death. (Summary by Libby Gohn)
